## FREQUENTLY ASKED QUESTIONS

### — A second national lockdown has been announced until the end of November, can my company keep operating?

The President of the Republic unveiled on November 24<sup>th</sup>, 2020, a three-stage easing of the country's lockdown:

- On November 28, 2020 (easing of travel, reopening of some facilities).
- On December 15, 2020 (envisaged end of confinement, establishment of a curfew).
- On January 20, 2021 (reopening of restaurants and bars and secondary schools).

However, the implementation of the second and the third stages will depend on the evolution of the epidemic and may be revised if a surge in Covi-19 infections were to happen.
