FREQUENTLY ASKED QUESTIONS

What new restrictions are implemented to face Covid-19 ?

The President of the Republic unveiled on March 31st, 2021, new measures all across the country to hinder the spread of the virus.

As of Saturday, April 3rd, all departments of the metropolitan territory are placed under restriction for a duration of 4 weeks:

- No travel allowed during the day beyond 10 km unless there is a compelling reason (on presentation of the attestation).
- The curfew remains in force at 7pm throughout the metropolitan area with the obligation to submit a waiver certificate.

Moreover, no inter-regional travel is authorized after Monday, April 5, except for compelling reasons. Returning to France for French citizens living abroad, as well as cross-border workers remains authorized.
