FREQUENTLY ASKED QUESTIONS

— **How to benefit from deferral of rent and water, gas and electricity bills?**

For VSEs and SMEs whose activity is interrupted: rents and charges will be called monthly instead of quarterly.

The collection of rents and charges is suspended as of April 1st, 2020 and for the subsequent periods of cessation of activity imposed by decree. When business resumes, these rents and charges will be subject to deferred payment or spread without penalty or interest on arrears and adapted to the situation of the companies in question.

For VSEs and SMEs whose activity is interrupted by decree, these measures will apply automatically without consideration of special situations. Regarding companies whose activity, without being interrupted, has been considerably weakened by the coronavirus outbreak, their situation will be assessed on a case-by-case basis, in accordance with their economic realities.
